

Shine Your Light Prayer Points: w/c 11th November

Scripture for the week:

After this the Lord appointed seventy-two others and sent them two by two ahead of him to every town and place where he was about to go. *Luke 10 v 1 NIV*

Monday - Boldness in sharing Shine Your Light with neighbours.

- Thank you Lord, that we can speak to our neighbours, whether that be in our street, community, shop, marketplace or wherever we go, telling of your love, grace, mercy and compassion for all people. We thank you that we can speak and tell others about Shine Your Light fearlessly and with confidence knowing that you walk beside us, having gone before us and already prepared the way.
- Oh Lord, help us to have confidence to share the gospel with somebody today, in person, over text, over social media, over email, write a letter. Lord, by the power of your Holy Spirit in us, help us to speak your word every day with boldness. Thank you Lord that as in 2 Timothy 1:7, you have not given us a spirit of timidity, but of love, power and self-discipline.
- Praying that as we speak to neighbours and people in our local community that the words that we speak, will be the words directly from the throne of grace, His words filled with the power of the Holy Spirit and that as in the days of Peter and John, that people will see that we have been with Jesus.

Tuesday - Praying ahead of Thursday's Telephone Day

- Father, we thank you for the strategic planning to approach the large workload with a strong team of servants of the Lord on Thursday. Help us to work together effectively, without strife, confusion or disruption so as to achieve all we need to on the day that is set aside specifically to blitz the calls together.
- Lord, we ask that you will go before us to smooth the pathway, that the day will be productive, successful and reach the desired outcomes to address the volume of work set before us. We decree and declare that every barrier is broken down, every obstruction is removed, every trap set by the enemy is thwarted against either the work,

the members of the team, their families, finances or property.

- Lord, we thank you for every volunteer who has given up their time, dedication, love and commitment to the Shine Your Light Kingdom agenda. We ask that you will bless them and their families as you promise in your word. May the Lord indeed say, "Well done good and faithful servant; you have been faithful over a little; I will set you over much. May we here, enter into the joy of your master.

Wednesday - Core Team

- We pray to the Lord for your guidance, wisdom, humility and blessings over the core team as they work together. Looking always to the Lord, praying without ceasing, remaining focused on the Kingdom agenda for His glory alone with the love of God binding them together as a strong force against the kingdom of darkness. Let your glory shine on them, Lord, giving them divine inspiration, anointing and grace.
- Lord help the team to overcome any obstacles or challenges that may arise and to stay focused and determined in the face of adversity. Help them to put aside any differences should they arise and to come together as one united force, working towards one common goal. Bless the core team with success and productivity.
- We pray for divinely orchestrated opportunities for Shine Your Light, that will generate the building of the programme into all areas of the community and walks of life. Praying that the team will have strategies for making the work succinct and effective for the glorious Kingdom of God, drawing all people together in unity in the joy of Jesus' birth.

Thursday - For Churches to be able to find the resources that they need to upskill them for Shine Your Light

- We pray for wisdom, strength and the ability to be able to search out the resources that they need to achieve the God given vision and plans for the Shine Your Light events. Lord cause an outpouring of a generous nature in your people, to give, share, provide and meet the needs of others.
- We pray for innovative and creative ideas to produce outstanding Shine Your Light events as they step out in faith and boldness. Praying for supernatural intervention where there are limitations and shortfalls in facilities, equipment, electrical supplies, resources in all forms to make the events successful and shine forth the Glory of God.

Lord do what only you can do.

- Lord, we ask that where event teams need to be trained, up-skilled and prepared for the evangelistic outreaches and the spreading of the gospel as we claim this land for Jesus, that this will be done in a timely manner. That teachers, leaders, Pastors and Ministers will step up to the call, preparing their flock, to go out onto the streets, highways and hedges and compel them to come in, that His house will be filled.

Friday - Shine Your Light Champions

- Lord, we thank you for all the champions of Shine Your Light. Thanking you for their love, inspiration, passion and beautiful hearts for you Lord. Thanking you that their faith is growing abundantly as they step out in faith with each and every Shine Your Light event. We pray that you will continually be close to your people and thank the Lord for each one as they dwell under the shadow and protection of the Lord Almighty.
- We pray for strength, courage, wisdom and anointing of the Holy Spirit on each one as they plan and implement the Shine Your Light events that you have placed on their hearts for the desires of their hearts are from you Lord.
- We pray to the Lord that all the Champions will help to spread the good and exciting news of the Shine the Light campaign as we bring back the gospel to the United Kingdom and lift Jesus higher into His rightful place as Lord and King of Kings. That all may come to know that Jesus is the greatest and most precious gift of Christmas.

Saturday - Evangelism amongst young people

- Praying that all churches throughout this land will open their doors to young people by investing in trained youth workers who understand the needs of the young people, want to embrace them as part of the church community, and be prepared to allow them to grow and expand within the church. That the hunger for the knowledge of the Bible amongst young people will grow and expand as young people become influencers to their peer groups.
- Praying for mission enablers will work with the Shine Your Light Kingdom agenda to reach out to the young people through social media platforms, providing them with opportunities to share their faith and embrace them into shine your light events, put together by young people, with young people for young people.

- Research states that the greatest method of evangelism amongst children and young people is from their peers. We pray for Holy Spirit-filled young people to find a route to share their faith through worship, creative and innovative ideas, as they join up with the Shine Your Light campaign. That all barriers, strongholds and constructs will come down to allow for the entrance of the word into the children and young people arena so that God will be welcomed back into schools, colleges and universities.

Sunday - Greater engagement of Shine Your Light from the regions

- Lord, we are taking back all areas of this land from the devil, that no area will remain in darkness as we shine our light in every part of the United Kingdom, Northern Ireland and the Republic of Ireland. We are praying that every region will take up the baton and flame of the Kingdom agenda of Shine Your Light for Jesus.
- Lord, we pray for energisers and ambassadors of your Prophetic Kingdom agenda of Shine Your Light in every area of this nation. That they will spread the word of Shine Your Light through relational contacts, word of mouth, emails, texts etc. so that the whole nation will be lit up with the good news of Christmas out on the streets.
- Lord pour out your Holy Spirit across the whole nation, bring fire and passion into a united church that is no longer bound by the constructs of church buildings but goes out onto the streets with Shine Your Light to tell the people about Jesus this Christmas.
